KS Engineers, P.C. (KSE) is an award-winning, leading provider of design-build engineering, independent construction inspection, and construction quality assurance services. With approximately 300 engineers and construction professionals, we maintain seven offices in the states of NY, NJ, PA, and CT. KSE is a 100% Minority Business Enterprise (MBE) certified by all governmental agencies. Since our inception in 1991, KSE has performed more than 40 design-build contracts in the areas of bridges and highways, rail and transit, aviation, commercial buildings, parking garages, and educational institutions.
