DIEGO ALAIMO JOINS KS ENGINEERS

KS Engineers, P.C. is pleased to announce that Mr. Diego Alaimo, P.E. has joined KSE as a Vice President, in charge of our New York Operations. Mr. Alaimo will focus on expanding our presence the City and State of New York.

Mr. Alaimo has 33 years of successful experience in design and construction management of bridges, water, wastewater and transportation projects. He has steadily risen through the ranks from engineer to Vice President. He is a licensed professional engineer in New York, New Jersey, Pennsylvania, Connecticut, and Florida. Mr. Alaimo holds a Bachelor's Degree in Civil Engineering, a Master's Degree in Environmental Engineering and additional postgraduate engineering credits from Columbia University. He has managed complex engineering projects throughout the Northeast from proposal, to design and construction. These projects have ranged in size from one to eighty five million dollars.

Prior to joining KSE, Mr. Alaimo was a Vice President at TRC Companies. He is affiliated with the American Society of Civil Engineers National Professional Engineers Society, the Water Environment Federation and the Municipal Engineers of NY. He was part of the Task Force on Design of Wastewater & Storm Pumping Stations and which was published in the Water Environment Federation - Manual of Practice FD-4 1993.

Mr. Alaimo can be reached in our New York City office at the following location:
