KSE Welcomes George R. Broberg, PE, PP

*For Immediate Release:
October, 2010*

*Contact: Dianna Keable
973.623.2999 ext. 151*

KS Engineers, P.C. (KSE) is pleased to welcome George R. Broberg, PE, PP as Vice President and Director of Operations.

Licensed as a Professional Engineer in New Jersey, New York and Pennsylvania and as a Professional Planner in New Jersey, Mr. Broberg has over 40 years of experience managing infrastructure and facilities projects for governmental agencies and private sector clients. Over the course of his career, he has been responsible for managing large-scale, multi-million dollar projects that have changed the face of New Jersey.

Mr. Broberg is a recognized expert in improving corporate systems and will be instrumental in helping KSE perfect the quality of our corporate operations. As we continue our steady growth in the tri-state area, he will serve as the executive in charge of reviewing each technical department with a focus on identifying and refining KSE's approach to staffing, production, and overall performance.

KSE is committed to providing our clients with exceptional design services and outstanding customer service. Mr. Broberg has the perfect balance of vision and experience to guide our corporate development and lead us into the future.

About KSE

Founded in 1991, KSE is an award-winning, multi-disciplinary MBE providing civil and structural engineering, land surveying, landscape architecture, construction management and construction support services in New Jersey, New York and Pennsylvania. With a staff of nearly 200 professionals, KSE has provided essential engineering and construction management services to public and private entities throughout the region.
