

The logo for KSE (KS Engineers) is displayed in a large, bold, blue font. The background of the top section of the page features architectural blueprints and rolled-up documents.

## Eileen R. Della Volle, KS Engineers Vice President, Selected to Join NJ Governor's Restart & Recovery Advisory Council

KS Engineers, P.C. is proud to announce that Eileen R. Della Volle, Vice President for Business Development, has been appointed as a member of New Jersey Governor Phil Murphy's Restart and Recovery Advisory Council. This Council will gather leaders from diverse industry groups and community organizations throughout New Jersey to advise the State's leadership on economic matters impacted by COVID-19, and to help New Jersey move forward with reopening and recovering amid the coronavirus pandemic. The council will provide a framework for coping with the State's new, long-term economic realities.

Ms. Della Volle will serve on the Facilities and Construction Subcommittee.

Ms. Della Volle is a recognized business executive and community leader with 20 years of professional experience in community development and the design and construction industry. She maintains an extensive multi-level network of influential business leaders, government officials, diversity representatives, and trade organizations to create change and results in NJ, NY, and PA. She contributes to public policy and the education of stakeholders as related to business diversity in public project delivery at the state and municipal levels. She serves on numerous industry-specific boards, including the Southern New Jersey Development Council (SNJDC), Women in Transportation Seminars (WTS), and the Women Builders Council (WBC). She was named one of the "Top 50 Women in Business" by *NJBIZ Magazine* and was the recipient of its "40 Under 40" award. She has also earned the SMPS New York City Chapter Marketing Achievement Award and the SMPS Philadelphia Chapter's Donna Keller / Cracked Bell Award; was named "Outstanding Woman" by the Women's Building Council; and received an "Award of Excellence" from Odyssey International in recognition of her commitment to maximizing contracting opportunities for women and minority-owned firms.
